New Faces at Rentschler Library

Over the past several months, we've added six new faces to the library staff—one librarian and five student workers. So, don't be surprised when you see lots of new people behind the counter when you come to check out books! Below is a brief introduction to all of the new staff members. Make sure you stop in and say "Hello!"

Carrie Girton, Public Services Librarian and Web Developer

Carrie comes to Miami Hamilton from the Fayette campus of Penn State University. She got her MLS degree from the University of Kentucky and is very excited to be back in the Cincinnati area. She will be helping with reference and instruction, collection development, and the website.

Mike Keller, Student Worker

Mike is in his first semester at Miami Hamilton and is a Criminal Justice major. He serves as a Medic in the National Guard, and enjoys playing guitar.

Rosemary Mignery, Student Worker

Rosemary is in her second year at Miami Hamilton and is in Pre-Nursing and working towards a Spanish minor. She is also involved on campus as a peer tutor. Her favorite thing about libraries is "having a place that is quiet to study and get my work done."

Sam Arbutina, Student Worker

Sam is in her first year of Pre-Nursing at Miami Hamilton. She is a member of Delta Zeta and is Hostess at Wild Bistro. Sam "love[s] to read so working with books is definitely interesting."

Stephanie Radford, Student Worker

Stephanie is a Freshman at Miami Hamilton, majoring in Communications, and plays on the MUH softball team. She began working at Rentschler library in the Fall of 2012. What she enjoys most about working in the library is having access to all of the resources available through the library, including the endless supply of Germ-X.

Mike Farmer, Student Worker

Mike is majoring in Health Information Technology. He also volunteers for Lindenwald Baseball, helps out with Cub Scouts, and serves on the OHIO Patriot Guard.

Samantha Young, Student Worker

Samantha is in her third year as an English major at Miami Hamilton. She enjoys working in the library because she enjoys books and reading. She also enjoys writing and playing with her cat.

Remodel Update

There's lots of "new" in the library! Along with the new employees, you've probably also noticed new furniture, new paint on the walls, new carpet, some of the furniture and items have been rearranged, and lots more color. The picture below highlights some of the "new".

The next phase will be completed soon, and includes more new furniture and a little more rearranging of the existing furniture (as the floor plan above shows). Stay tuned for updates and more photos!
