Collection Revamp

Over the past couple of years, the librarians have been carefully going through the library's collection to make sure that it fits the needs of our campus community. We are pulling outdated materials, adding updated and new titles, and expanding our resources in popular topic areas. You may have noticed bare shelves in the stacks where we have pulled sections of books to be able to carefully examine each item and determine what should stay in the collection.

All of the new books that get ordered are displayed near the circulation desk for the first month that they are in the library. This way everyone can see what new titles are being added.

If you have suggestions for items that we should add to the collection, contact the Librarian who is the liaison for your subject area as listed at www.ham.miamioh.edu/library/liaison.

April is Poetry Month!!

Celebrate poetry month at the **8th Annual Favorite Poem Project** at Miami Hamilton. Read your favorite poem and share what you love about it. Both reading events are open to faculty, staff, students, and the community.
